The event

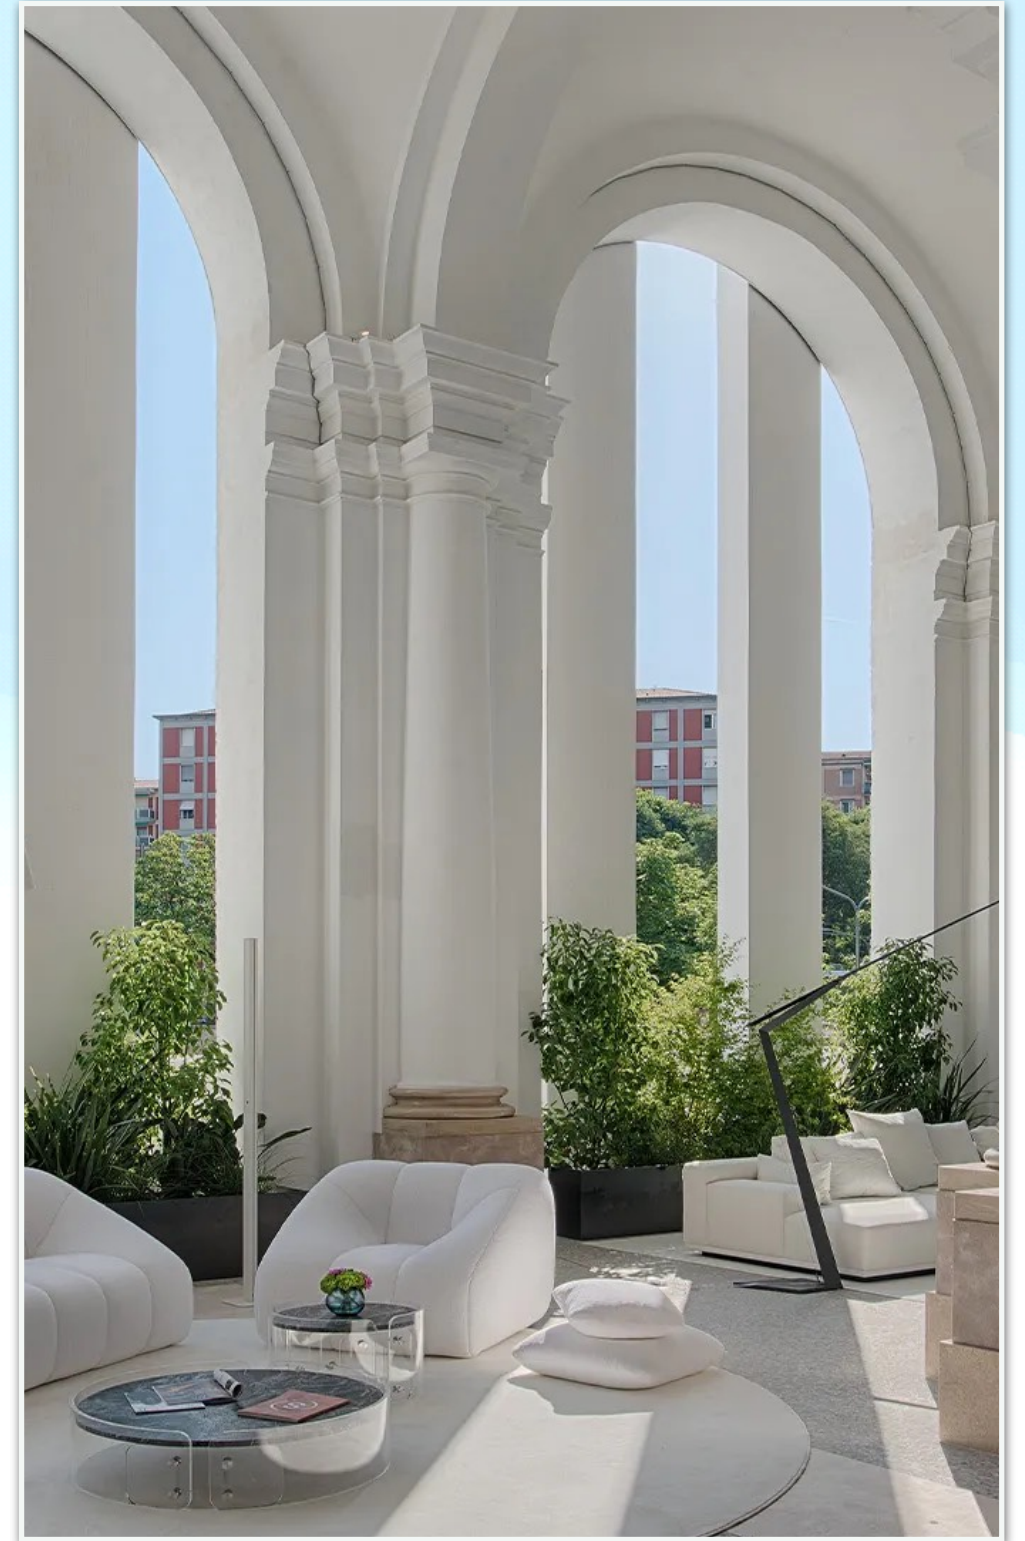

July 5th and 6th, 2024

The fourth Clinica Laponte conference will be held in Milan as usual on July 5th and 6th 2024 at **Nh Collection Hotel City Life located** at *Via Colleoni 4 - Milan 20149*.

During the two days, the conference will feature leading professionals and professors who will discuss the relevance of the **rapporto Cranio-Cervico-Facial** relationship and present relevant scientific cases.

On Friday, July 5th, for the first time, a roundtable will held to facilitate a scientific discussion with our guests. As a result, it will be interesting to see professionals from different specialities discussing and collaborating with the common goal of patient care through a multidisciplinary approach.
